

# Introduction to EJB3

## EVENTS

**31ST MAY 2005**

### **INTRODUCTION TO EJB3**

Held in Wallingford this 2 hour long presentation provides an introduction to the many new features available with EJB3

**JUNE / JULY 2006**

### **EJB3 EVENING WORKSHOP**

For 10 evenings from June onwards, we will be holding bi-weekly workshops to provide a hands on transition to using EJB3. Visit the website for more details. The workshops will be held in Wallingford, Oxfordshire.

### **UPCOMING 5 DAY WORKSHOPS**

Full day workshops lasting for 5 days are in the pipeline. Please contact [ejb3workshop.com](http://ejb3workshop.com) for more information.

### **Overview**

This workshop is open for anybody interested in this upcoming new technology. It aims to ease the transition from the current EJB specification. The focus will be on presenting new features and potential pitfalls.

### **Prerequisites**

A good understanding of the current specification and implementation is suggested, yet not strictly required.

### **Topics**

The following topics are covered during the presentation. Please contact us for further details.

- ✓ Introduction to new features of EJB3
- ✓ Java 5 Annotations
- ✓ Java 5 Generics
- ✓ Session, Entity and Message Beans
- ✓ Application Design
- ✓ Aspect Oriented Programming
- ✓ EJB Interceptors
- ✓ Persistence via Entity Beans
- ✓ EJB Design Pattern
- ✓ CD containing open source software

After the presentation there will be a Q&A session open to the floor to discuss the various topics and ideas.

**Cost :** £25.00 per person

### **Date:**

31st May between 12:00 and 14:00

### **Venue:**
